When your toddler reaches the age of 15 months, you may start to notice some significant changes in their behavior. They may become more independent and willful, and they may start to push your buttons more. This can be a challenging time for parents, but it's also an important one. Your toddler is learning and growing rapidly, and they need your guidance and support to reach their full potential.

Moms On Call Toddler 15 Months Years is a comprehensive parenting book that can help you navigate this challenging time. The book is written by two experienced pediatricians, Dr. William Sears and Dr. Martha Sears, and it offers practical advice on everything from sleep training to potty training to discipline.

Key Principles of Moms On Call Toddler 15 Months Years

Moms On Call Toddler 15 Months Years is based on the following key principles:

- **Consistency is key.** Toddlers need to know what to expect from their parents, so it's important to be consistent with your routines and expectations.

- **Positive reinforcement is more effective than punishment.** When your toddler behaves well, be sure to praise them and give them positive attention. This will help them learn what behaviors you want them to repeat.
- **It's important to set limits.** Toddlers need to know that there are some things they are not allowed to do. When you set limits, be firm but fair, and explain to your toddler why the limit is important.
- **Don't be afraid to ask for help.** Parenting can be challenging, and it's important to ask for help when you need it. Talk to your partner, family members, friends, or other parents.
