About the Book

Sounds From Common Wall: An Anthology of Those Who Wait is a collection of stories about the people who live in the shadows of the Berlin Wall. These are the stories of the people who wait - for freedom, for love, for a better life. They are the stories of the people who are often forgotten, but who are no less human than the rest of us. This anthology is a powerful reminder of the human cost of war and division. It is a must-read for anyone who wants to understand the history of the Berlin Wall and its impact on the lives of ordinary people.
